Bitcoin: Increasingly Popular, But Proceed With Caution

Interest in cryptocurrencies is once again rising as a result of recent regulatory actions and the record high price achieved by the most popular cryptocurrency, Bitcoin. A longstanding debate continues, however: Can Bitcoin and other cryptocurrencies play a role as alternative forms of currency, worthy of investment? Or are they merely financial products subject to high levels of price volatility and speculation? [Click HERE to read the full article.](#)

Family Business

Disability Insurance and the Buy-Sell Agreement

Accidents can happen. It's not fun to think about, but an unexpected incapacitation such an accident or an illness can happen to anyone. Family business owners must be prepared. One step toward doing so is creating a buy-sell agreement. A second, and often overlooked step, is adding a disability insurance component to the agreement. This article addresses both concepts.

Business Tax

Deducting Pass-Through Business Losses

Tax law restricts the amount of business losses that individual taxpayers can currently deduct. This is potentially bad news for owners

of start-ups and other business ventures that are incurring tax losses. Here's an overview of the current rules for so-called excess business losses and net operating losses (NOLs).
