A Family Business Does Not Have to Be a Casualty of Divorce

The end of a marriage. For most people, the mere thought of it raises many emotions, memories and questions. When a divorce affects a family business, the impact is multi-fold; however, among the primary concerns is often how the value of the company is calculated when the divorcing spouses disagree on the subject. This article examines some of the crucial issues involved.

9 Ways to Keep Your Benefit Plans Healthy

Employee benefit plans are a critical part of business, but they're also expensive and time-consuming to administer. Once a plan is in place, it's easy to turn your attention to other priorities and leave the plan on autopilot. But it's essential to keep your finger on the pulse of each plan. Otherwise, even if there are no compliance issues, your company could end up overpaying. Here are some points to consider when conducting a benefit checkup.
