Employee Benefits

Do Not Panic If You Receive a Benefit Audit Notice

The word "audit" strikes fear in the hearts of many company executives. But if your ducks are in a row, don't sweat it. It's in everyone's interest to make the process go smoothly, which is why the IRS provides tips for an efficient benefit plan audit. Read on to find out what the IRS recommends.

Beefing Up Benefits as War for Talent Intensifies

Have you noticed? The labor market is getting tighter. Employers across the country are reporting that it's becoming tougher and tougher to fill important job vacancies. And employers are working to stay competitive in the market for talent and differentiate themselves by shoring up their employee benefits. Here's a look at what they're offering.

"We formerly had our employee benefit plan audit with one of the 'Big Four' national accounting firms, but knew that we were not getting the attention and service we needed. Making the switch to Gray, Gray & Gray was like night and day! We are getting the same degree of competence and experience, but with a much higher level of service. At much more reasonable fees, too!"
-New England Sports Network (NESN)
