Family Business

Keeping Family Businesses Harmonious

Keep the peace, keep the company. Severe, counterproductive internal conflicts in a family business can spell doom for the going concern. Family-owned operations are particularly at risk because they're subject to not only disagreements at work, but also drama that arises at home. This article outlines some common sources of conflict and makes a number of helpful suggestions to consider.

Business Tax

Go It Alone with a 401(k) Plan

With one type of retirement plan, business owners who run their operations alone may be able to stash away more money for the future.

Continue reading to see if a Solo 401(k) plan is the right way for you to save. Compared with other types of plans, it may allow you to make substantially larger contributions that lower your tax bill and generate more tax-deferred earnings for retirement.

Personal Tax

Multistate Resident? Watch Out for Double Taxation

Contrary to popular belief, no federal law prohibits multiple states from collecting tax on the same income. This article raises some important points to keep in mind for those who maintain residences in more than one state (or may soon do so). We'll also look at some ways an individual can establish domicile in a new state.
