Family Business

Coping With the In-Law Challenge

It's risky business. Hiring an in-law to work in your family business could give rise to conflicts, resentment and even legal action. Then again, it might be a great move for the individual and your company. This article discusses this tricky situation, including the importance of creating a buy-sell agreement. A sidebar offers 12 key questions to ask before bringing a relative on board.

Benefits Administration

6 Common COBRA Mistakes Made by Employers

Regardless of their level of experience, HR professionals would all likely agree that COBRA is a complex, labor-intensive area of benefits administration. That's why it's important for employers to regularly review what's required. To help you stay on top of these tasks and avoid some of the pitfalls, here's a list of six common mistakes associated with COBRA benefits.

Operations

Business Interruption Claims Require Professional Help

Collecting on business interruption insurance claims can take months after a company's operations are forced to shut down temporarily because of a qualifying catastrophic event. And that's assuming the insurer will pay up at all. To put itself in the best possible position, your business should strongly consider turning to its accountant for help. This article explores the many ways that an accountant can be an invaluable partner in the claims process.
